Fairy Tale

It's a fairy tale ending to our story
It's a fairy tale of love
Little white flakes, they rest upon her lips
Nothing screams beauty more

Come and show me more

Chorus

Floating petals and sweet summer's breeze
Knocks me right on my knees
And I beg you...
Maybe baby we'll hold on, hold tight
Live strong live strong, sing a love song
Maybe baby we'll hold on, hold tight
Live strong live strong, sing a love song
Maybe baby we'll hold on, hold tight
Live strong live strong, sing a love song

It's a giant jump
And I lend a hand as I watch you
Right 'til you land

Chorus
