Waking and taking one last snore
Moving and grooving across the floor
I can't stop my feet from finding a beat
Can't stop my knees, can't stop my knees

Walking an' talking down the boardwalk
Flipping my cap to Miss This and That
Lowerin' their glasses to see me move
Shifting their knees to my groove

Chorus

Mah knees they go up
Mah knees they go down
Mah knees they go round
Mah knees they go... BIG BIG BIG BIG
Shh... One two...

Snoozing and snoring to my baby's breath
Stopping our bopping for a moments rest
Well I can't stop my feet escaping the sheets
I'm dancing in the moonlight with my groovy knees

Chorus

Middle 8
My bro's got a Mercedes Benz
My friend's got a big Learjet
My boss got a big house in Nice
But none of 'em got mah
BIG BIG BIG BIG KNEES!

Chorus
