Lightning, castles, space ships
Buck-toothed cannibal in a too tight teddy
Brad and Janet both had such a bad date
Screwed a trannie, meat loaf with Eddie.

Suburbs, school runs, Brad a
High School Principle. Babies wound round Janet.
Brad and Janet kept such a nice home
But Janet carried the seed of a long lost planet...

Chorus

And Brad and Janet's Oldest Daughter Frankie,
Struts around in the bar she owns in Soho
And Brad and Janet's Oldest Daughter Frankie
Keeps the secrets only she and Janet know
Keepin' the dream alive
Rockin' deep in the night
Keepin' the dream alive
Rockin' deep in the night

Snow White, divorced in two years
Seven jealousies killed Prince Charming
Sneezy and Dopy started fires
Doc and Grumpy's rants were quite alarming...

Romeo, coded, 6 times
Eight hours surgery...Juliet cryin'
Rom and Juliet recovered fast
Families shared a Christmas after years of tryin'

Chorus

Middle 8
And I don't believe in endings
I'm always writing volume 2
And in my head I've written
At least eight more chapters with you
I said I don't believe in endings
I'm always writing volume 2
And despite those words you've written
I dream of life times
I dream of life times
With you.

Chorus (Repeats)
