Sittin' cross the diner
Is the prettiest girl I've ever seen
Talkin' stuff in my direction
And I'm just thinkin' of my screens.

Sittin' cross the table
Is the prettiest girl I've ever met
Movin' close in my direction
And I'm just dyin' for the net.

Chorus

Gotta google, Wanna Wiki
Double clickin', Eyeballs sticky
Gotta Twitter, Micro bloggin
Been a while, since I logged on...
Gotta sail thru E-bay
Gotta search thru Amazon
Cyber sex in Second Life
Where a virtual friend's logged on...
And I really like your touch
And I really like your smile
But you're far too realistic
And I fear I'll lose the file.
So I got to stop.

Sittin' on the common
On the loveliest day that's ever been
Sun shinin' down in my direction
But I just can't see my screens.

Also on the common
Is the prettiest girl walkin' a dog
And I'm racin' off to my machine
Cause I'm dyin' to chat on her blog.

Chorus

(scat)

Repeat Verse 1 & 2
