### Sandy in the Sleeping Bag

*Jimmy – Vocals; Andy Patterson – Vocals, Guitar, Ukulele, Bass, Shakers, Whistle, Hammond; Morgan, Ceci, Ellen, Annie – Backing Vocals*

Sandy in the sleeping bag  
Before the winds had changed we raised our flags,  
Just to say, they'd been used.  
I used you. You used me.  
But Sandy can't you see?  
Looking back from far away  
A different place a different day  
I wouldn't have had it any other way.

Robin, with your precious nest.  
You wanted more, I wanted less.  
And watched your eggs grow older.  
Rose – a thorn deep in my side.  
I gave you love. You gave me lies.  
I felt your bed grow colder.

#### **Chorus**

(Girls)  
How can we live without them?  
How can we live with them.  
I'm throwin' my hands up here  
Givin' up and givin' in to Girls.

Laurie on a different road  
You shared the drive, You shared the load  
Just to learn Love is pain.  
I hurt you. You hurt me.  
But Laurie can't you see?  
Looking back from far away  
A different place a different day  
I wouldn't have had it any other way.

#### **Chorus**

Candy, hard but sweet to suck  
You sold me drugs and taught me how to... tuck  
Into those lobsters on the cape  
I used you. You used me.  
But Candy can't you see?  
Looking back from far away  
A different place a different day  
I wouldn't have it any other way.

#### **Chorus x2**
